Joe Vreeland, 1507 South 6th Street, Brainerd
Sheila Haverkamp, BLAEDC
Barb Sullivan, Brainerd

The Chair stated that tonight's meeting was being held to discuss the Business 371 Reconstruction project. He welcomed staff and guests to the CTC Room, stating that this location was chosen to utilize the new technologies available and introduced Matt Kilian, Executive Director or Brainerd Lakes Chamber.

Mr. Kilian welcomed everyone to the new facilities, thanking the community for donations which made it possible and expressing his hope that Council found the site useful.

The Chair recognized MnDot Project Manager Jim Halgren, who presented options for the reconstruction project.

The meeting was opened for public comment, and the majority of those present spoke in favor of a 3-lane design.

The Chair thanked everyone present for their comments and suggestions.

The Chair adjourned the meeting at 5:25 P.M.
