Why do you want to serve on the City Council?

I would enjoy the opportunity to serve the area of the city in where I live, to be part of continued growth that I see in the city, and to be a voice of the people, for the people who live in North East Brainerd. Serving with the city council would give me a way to work with my neighbors in Ward 3.

What skills, strengths, or abilities do you believe you will add to the organization?

My strength is working and coaching people. My abilities are finding the good in people and looking for ways to solve challenges in their lives and neighbors lives. I have learned many of these skills while owning our business for over 20 years and managing over 60 employees. I have learned much by volunteering in many organizations.

Council meetings are typically the First and Third Monday evenings each month; are you able to commit to this schedule?

Yes, I am able to meet those days, My schedule is flexible

My name is Wayne Erickson and I would like to introduce you to my family.

I have been married to my wife Margie for 44 years. Margie works as a preschool teacher and director.

We have lived and worked in the city of Brainerd for the past 35 years.

We have 6 grown children, 5 sons and 1 daughter and 17 grandchildren.

Two of our sons serve fulltime in the United State Army, one is a Major in the Special Forces and one is a Chaplain. One of our sons is a Duluth firefighter and serves in Airforce reserves. One son works as Operations Manager in Recidivism Reduction Division of New Mexico Corrections Department. One son works as Youth Pastor and our daughter works as a school teacher and church office manager.

We have owned and managed two restaurants for over 20 years, managed the CLC food service for 6 years and ran a catering business with over 60 +employees.

I have driven school bus for 5 years for Brainerd school district.

We were foster parents for 9 years in Crow Wing County.

I have volunteered for the city of Brainerd with the Parking Commission, City Charter commission and the EDA commission for the past 25 years.

I have held a number of positions on several boards, Homeowners association, Church deacon board, Cemetery board and Lions club.

I have work as an Assistant Pastor for the past 15 years.

I believe the diversity of my life's past experiences and of my family helps to qualify me as someone who can listen and understand and work with people to solve life challenges that are before us in the city of Brainerd.

I know and do understand that this city council is searching for someone who is community minded and willing to put in the time it takes, to do their fair share to get the job done. This person must always consider the ideas of all people. I have worked and served long enough to know that listening is a great attribute.

I am willing and ready to work for the citizens of Brainerd.

I seek your vote as the next Council Person for Ward 3.

Thank you for your consideration in this important decision.

ACKNOWLEDGEMENT
