**Brainerd, MN**
**July 13, 2020**

Pursuant to due call and notice thereof, the Workshop of the Brainerd City Council was called to order at 6:00 p.m. by Council President Johnson.

Upon roll call, the following members were noted present: Lambert, Stunek, Pritschet, Bevans, T. Erickson, and Johnson. Member W. Erickson was noted as absent. Mayor Badeaux was also noted as present.

Additional staff present were: City Administrator Bergman, Police Chief McQuiston, Fire Chief Holmes, Community Development Director Chanski, City Engineer Sandy, Finance Director Hillman, HR Director Schubert, Parks Director Sailer and IT/GIS Director Strong. Also present were: Karen Young and John Schommer, Brainerd HRA, Ashley Kaisershot, Sourcewell and Theresa Bourke, Brainerd Dispatch.

**Discussion on City Council Goals**

Council Member T. Erickson gave an overview of the planning process that took place in the development of the Comprehensive Plan that was adopted in October 2019. He highlighted the importance of the community engagement sessions, the different audiences using the plan and the balance of history versus moving forward.

City Administrator Bergman reviewed the results of the survey that was taken by the City Council members, Department Heads and Boards and Commissions members.

Council discussion took place on goals and strategies that were the higher priority regarding the following topics: land use, community character, housing, mobility, economic development, parks and recreation, facilities and infrastructure, public safety, and natural resources.

**Adjourn**

The Chair adjourned the meeting at 7:32 p.m.
